IT'S ALL IN THE DETAILS:

LOCATION

All sessions are shot on location in natural light. Choose a place that is comfortable for you, and your family. I love the idea of doing at least part of the session at your home, but that is completely up to you! Shooting at the location of your choice allows you to express more of your personality. Get creative and have fun with it! Nothing is off limits.

WHAT TO EXPECT

Lots of fun! I love what I do and want you to feel relaxed while I capture images that reflect your family.

WHAT TO WEAR

Whatever you want! This session is about you, so wear your personality. Does your family usually dress alike? Probably not. So why do it for pictures? Let everyone in your group express who they really are. Does your little girl want to wear her pink tutu? Bring it on! Your son never leaves home without his Superman cape? Please let him wear it! The best pictures are the ones that showcase your personality. I don't care what you wear. Just be yourself!

PRE-SESSION

A 50% deposit is required to reserve your session date and is non-refundable. The balance is due on or before the session date. I want you to be comfortable and confident about your shoot, so don't be shy about asking questions! I can also offer recommendations about locations and clothing if you need help.

POST-SESSION

After your shoot I will review the images and add special touches that will enhance them. Please allow 2-3 weeks for editing. Once your proofs are ready you will have access to a password protected online gallery. Your gallery will be live for 3 weeks and print orders must be placed within that time. If your order is not placed within 3 weeks you will be charged a processing fee for setting up your gallery again. Due to the custom nature of the portraits, payment is due in full at the time of ordering. Payment can be made by cash, check, or credit card through www.paypal.com. Please allow 3 weeks for your portraits to be ready for pick-up/ delivery, unless otherwise noted. Once you've chosen the images for your 3 11x14 prints (and any other prints you want to order) I'll arrange to have them sent to you along with your high-resolution cd.

WHAT YOUR SESSION INCLUDES

All "A Day in the Life" sessions include a photo-shoot at the location of your choice (up to two locations!), a high resolution cd, 3 11x14 prints, a blog feature, and a password protected online gallery that you can share with friends and family!

WHAT IT DOESN'T

In addition to your 3 11x14 prints and high-resolution cd, you can also order additional print packages or a-la-carte images. View the pricing section on the previous page for more information.
